Dear Mr. Seruga,

I am in the process of updating the directory of active West Allis organizations. Please fill out the questionnaire and return it in the enclosed stamped envelope. With your cooperation, I will keep this list current. The printed list will be available early next year, so please return as soon as possible. We will send you a postcard when the updated list is available for pickup.

Copies of the organization list are kept at the reference desk of the West Allis Public library and are available to look at upon request.

Knowledge of your organization can now reach a greater audience through inclusion in the TAP file. TAP stands for The Answer Place and it is a Metropolitan Milwaukee community information data base. More than 3000 agencies, organizations, and other groups are already listed. Information from the data base is accessible to the general public through computer terminals in any Milwaukee County library and terminals owned by community organizations. If you do not want your organization to be represented in the TAP file, indicate this on the questionnaire.

Sincerely,

Pat Campbell
